INDOMITO
BAJA OUTDOOR ACTIVITIES

BOA was born in 1994, founded by enthusiasts and explorers with the goal of discovering remote places through sea kayaking. 30 years later, in partnership with **INDÔMITO**, we continue to be a company dedicated to creating unique experiences in remote and untamed locations. Our main purpose is to transform people's environmental perspectives through outdoor activities. We specialize in creating moments that bring people closer to nature, allowing them to connect with it, and hoping to inspire in each explorer a deeper desire to protect our natural environments.

WHAT ARE THE DIFFERENCES BETWEEN 'FULLY CATERED' AND 'EXPEDITION' MODES?

The Fully Catered mode is a 100% fully supported trip. We'll have a support motor boat that will accompany us throughout the journey. All you'll need to do is paddle from one beach to another and set up your tent, where delicious meals, cold drinks, shade, and a ready-made camp will be waiting for you to continue enjoying.

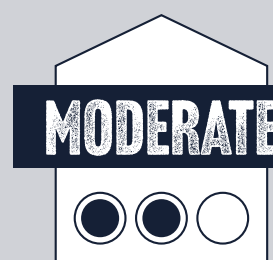

The Expedition mode is pure adventure. We load ALL the equipment onto our kayaks and work together to set up the kitchen, assemble the camp, and prepare delicious local dishes. On this trip, we won't have a support motor boat—just us, the guide, and the kayaks.

ITINERARY

DAY 0

On this day, you will check in at the hotel. You can enjoy the city of La Paz throughout the day. In the evening, we will meet in the hotel lobby with your guide(s) to clarify any doubts and prepare for the next day.

DAY 1

After breakfast at the hotel, we will gear up and drive to the starting point: Playa el Portugués. Before we start paddling, we will prepare the kayaks and familiarize ourselves with them by practicing some safety measures. After a light lunch, we will begin the first paddle towards Arroyo Verde, where we will set up camp with a view of the Sea of Cortés and the Sierra la Giganta.

DAY 2

We will wake up with coffee and a hearty breakfast to fuel up for our first open water crossing to Isla San Francisco. This remote island features white sand bays and a perfect marine ecosystem for snorkeling. In the afternoon, we will hike to the highest point of the island to get a panoramic view of the Sea of Cortés. We will end the day watching the sunset with a margarita in hand.

DAY 3

On this day, we will paddle between the different islands of the archipelago. Starting from Isla San Francisco, we will head towards El Islote el Pardito, famous for the local fishing community. If weather conditions allow, we can stop to have lunch there or buy fresh fish, which we can enjoy at our next camp. We will then continue crossing to Isla San José, passing through a mangrove channel with diverse flora and fauna. We will keep paddling until we reach our camp at Punta Salina, where we will close the day with a delicious dinner.

DAY 4

On this day, we will make the final open water crossing to the coast, which typically takes a couple of hours. Once we complete the crossing, we will be rewarded with a delightful lunch in the picturesque community of San Evaristo. After recharging our energy, we will paddle to Punta Arenas, where we will spend the night.

DAY 5

We will continue paddling along the coast until we reach Arroyo Verde, a beach known for its coral reefs and excellent snorkeling spots. We will spend the afternoon exploring the sea, followed by the last “Happy Hour” and the final night of the expedition.

DAY 6

We will paddle back to Playa el Portugués, where we began. Our transportation will be waiting for us to take us back to La Paz with lunch and refreshing beverages. Once we return to La Paz, we can finally shower at the hotel. In the evening, we will have a final dinner with the whole group and our guides to share stories and say goodbye with a toast.
