INDOMITO  
BAJA OUTDOOR ACTIVITIES

**BOA** was born in 1994, founded by enthusiasts and explorers with the goal of discovering remote places through sea kayaking. 30 years later, in partnership with **INDÔMITO**, we continue to be a company dedicated to creating unique experiences in remote and untamed locations. Our main purpose is to transform people's environmental perspectives through outdoor activities. We specialize in creating moments that bring people closer to nature, allowing them to connect with it, and hoping to inspire in each explorer a deeper desire to protect our natural environments.

# WHAT ARE THE DIFFERENCES BETWEEN 'FULLY CATERED' AND 'EXPEDITION' MODES?

**The Fully Catered mode is a 100% fully supported trip.** We'll have a support motor boat that will accompany us throughout the journey. All you'll need to do is paddle from one beach to another and set up your tent, where delicious meals, cold drinks, shade, and a ready-made camp will be waiting for you to continue enjoying.

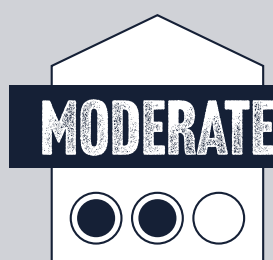

**The Expedition mode is pure adventure.** We load ALL the equipment onto our kayaks and work together to set up the kitchen, assemble the camp, and prepare delicious local dishes. On this trip, we won't have a support motor boat—just us, the guide, and the kayaks.

# ITINERARY

**DAY 0** This day, you will check in at the hotel and enjoy the city of La Paz during the day. In the evening, you'll meet your guide(s) in the hotel lobby to clarify any doubts and prepare for the next day.

**DAY 1** After breakfast at the hotel, we'll pick you up, make a quick stop in our offices to gear up, and then head to Playa Pichilingue, where we'll board a motorboat (panga) to cross to Espíritu Santo Island. Upon arrival, the guides will explain safety measures and how to properly use the equipment and kayak. Before starting our first paddle, we'll have lunch, and then begin our adventure. We'll paddle under spectacular volcanic cliffs, ultimately reaching the first of many beaches where we'll set up camp and enjoy the evening and sunset with a margarita in hand.

---

## DAY 2

We'll continue paddling, exploring more corners of the island. Among the bays, we'll encounter colonies of seabirds and other wildlife that inhabit the island. We'll reach a new beach to have lunch and rest. In the afternoon, we can explore the area with a hike or go snorkeling in the coral reefs. We'll end the day with a delicious dinner and our traditional Happy Hour.

---

## DAY 3

Today, we'll paddle to the north section of the island, passing by white sand bays, crystal-clear waters, and cliffs with unique rock formations. Each paddle connects us to the island's unique geological history. As every day, we'll have time to explore the sea and enjoy a sunset with a good book and a glass of wine in hand.

---

## DAY 4

Today, we'll take a well-deserved break from kayaking, spending 2 nights on the same beach to enjoy other activities. One of the highlights of our trip will be visiting La Lobera, a rocky formation that is home to over 400 sea lions residing in the Espíritu Santo Archipelago. We'll have the opportunity to snorkel with these magnificent animals, and surely the pups will come close to swim and play with us.

## DAY 5

Recharged, we'll continue paddling toward the goal of completing the circumnavigation of the island. Today, we'll paddle along the eastern side, where the magnitude of the cliffs will take your breath away. At the end of the day, we'll camp on a beach that separates the Espíritu Santo Archipelago. From here, we'll enjoy views of the channel that connects the two islands.

## DAY 6

Today, we'll face the longest paddle of the trip, covering the eastern side of the island. This journey, approximately 4.5 hours long, will take us through a remote and solitary landscape, offering a unique experience. We'll pass by stunning sea caves that we can explore, before reaching a 3-km long white sand beach, where we'll set up our final camp of the trip.

---

## DAY 7

On our final day of paddling, we'll complete the circumnavigation of the island and return to our starting point. After a well-deserved lunch, we'll head back to La Paz, where we'll finally be able to shower at the hotel. In the evening, we'll gather for our final dinner with the entire group and guides to share stories and bid farewell with a toast.
