INDOMITO
BAJA OUTDOOR ACTIVITIES

BOA was born in 1994, founded by enthusiasts and explorers with the goal of discovering remote places through sea kayaking. 30 years later, in partnership with **INDÔMITO**, we continue to be a company dedicated to creating unique experiences in remote and untamed locations. Our main purpose is to transform people's environmental perspectives through outdoor activities. We specialize in creating moments that bring people closer to nature, allowing them to connect with it, and hoping to inspire in each explorer a deeper desire to protect our natural environment.

WHAT ARE THE DIFFERENCES BETWEEN 'FULLY CATERED' AND 'EXPEDITION' MODES?

The Fully Catered mode is a 100% fully supported trip. We'll have a support motor boat that will accompany us throughout the journey. All you'll need to do is paddle from one beach to another and set up your tent, where delicious meals, cold drinks, shade, and a ready-made camp will be waiting for you to continue enjoying.

The Expedition mode is pure adventure. We load ALL the equipment onto our kayaks and work together to set up the kitchen, assemble the camp, and prepare delicious local dishes. On this trip, we won't have a support motor boat—just us, the guide, and the kayaks.
